Build an Institutional Strategy to Support Basic Needs

Discussion Questions

- 1** | To what extent does our campus community understand basic needs insecurity? How can we improve awareness?

- 2** | Who are key frontline partners on our campus? How are we currently working with them to identify students struggling with basic needs? How can that be improved?

- 3** | Do our key frontline partners have the information they need to refer students to appropriate resources?

- 4** | Are there opportunities to survey our campus to better understand the size of this population? What metrics could we use to estimate the size?

- 5** | Who needs to be brought together to discuss creating a formal plan to address basic needs insecurity?
