Additional Notes

Connect Basic Needs Insecure Students With Resources

Discussion Questions

- 1** | What resources exist on campus that could support students experiencing food or housing insecurity? What resources exist in the community?

- 2** | How are students educated or made aware of the resources discussed above? How could this process be streamlined and improved?

- 3** | What opportunities exist to better utilize leftover or excess food on campus? Possible partners may include dining services, campus catering, or student organizations.

- 4** | How does our institution house students in need of emergency housing? How is this process working? What are the biggest challenges?

- 5** | Could our institution adapt any of the approaches to emergency housing from the options discussed?
