

## What Will Your Story Be in 2021?

### Vision Exercise: Your Future Case Study

**Picture this: your name on the 2021 APS Summit agenda.**

Imagine that your institution's story will be featured two years from now. Considering your vision for your APS partnership, what success story will you share with the membership?

**1** How is APS data being used? Which processes have been embedded with data?

---

---

---

---

**2** What changes have been made on campus and who was involved in the transformation?

---

---

---

---

**3** What are the measurable results? Think in terms of quantitative outcomes plus cultural changes.
