

Courses Not Applied Tab

What is the Courses Not Applied Tab?

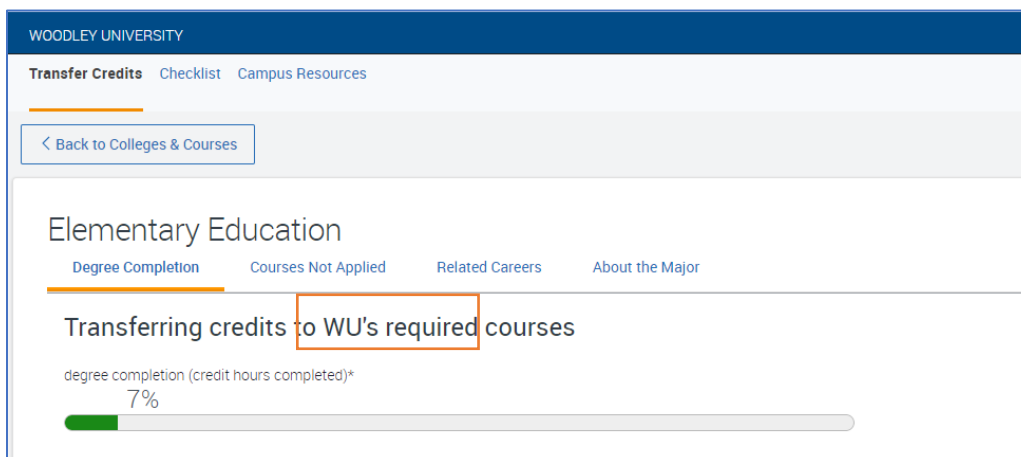

The Courses Not applied tab is located inside the Major Tile, after a student clicks “View Detail”. This tab will list the courses a student entered into Portal that do not apply to their degree.

Feature Overview

When a student clicks View Detail on their chosen Major Tile, they can view their Degree Completion Page. A student can then review the Courses Not Applied tab to understand which of their courses will not apply to the chosen program.

The screenshot shows a modal window titled "Elementary Education" with a close button in the top right. Below the title, it displays "7%" and "Degree completion (credit hours completed)*" with a progress bar. Below the progress bar, it shows "8 credits apply" and "11 credits may apply". A "View detail" button is highlighted with a red box. At the bottom, a disclaimer reads: "*The following is provided for informational purposes only; all credits and progress-to-degree estimates are subject to formal review and approval by the institution before they can be counted toward a degree."

The screenshot shows the "WOODLEY UNIVERSITY" header and navigation links: "Transfer Credits", "Checklist", and "Campus Resources". A "Back to Colleges & Courses" button is visible. The main content area is titled "Elementary Education" and has tabs for "Degree Completion", "Courses Not Applied", "Related Careers", and "About the Major". The "Courses Not Applied" tab is selected and highlighted with a red box. Below the tabs, the text "Transferring credits to WU's required courses" is displayed, with "to WU's required courses" highlighted in a red box. Below this, it shows "degree completion (credit hours completed)*" and "7%" with a progress bar.

Courses may fall into this section for many reasons:

- Course has an active equivalency in the partner’s Student Information System, but it doesn’t have an equivalent course at the institution.
- Course equivalency is inactive in the partner’s Student Information System.
- Transfer course does not have an equivalent at partner institution.
