Recommendation: Recommended Not Recommended To Be Discussed

#	Quality of the nominee and of the proposed program of research	Strongly Disagree	Disagree	Agree	Strongly Agree	Comments
1	The nominee is an outstanding and innovative researcher who has made a major impact in his/her field.					
2	The nominee is recognized, or has the potential to be recognized, internationally as a leader in his/her field.					
3	The nominee has a superior record of attracting and supervising graduate students and postdoctoral fellows.					
4	The nominee has a high record of publications, commensurate with his/her career stage.					
5	The nominee has secured funding from tri-agency sources (N/A for PDFs).					
6	The nominee proposes an original, innovative research program of high quality.					
7	The Proposed Research Program corresponds, and will contribute to at least one of the University of Ottawa's Strategic Areas of Development in Research.					
8	The Proposed Research Program will foster interdisciplinary collaborations and partnerships both within and outside the University of Ottawa.					
9	The application contains strong recommendation letters from national and international experts in the field.					
10	The nominee engages in outreach activities both within and outside the academic community.					
11	The application describes concrete actions to create more diversified, inclusive and equitable research environments.
