

# Employer Demand Profile

## Enabling Market-Responsive Program Development

Real-time employer demand data identifies the top skills, employers, and occupations for professionals with a bachelor's degree or above. Use the data and brainstorming questions included here to guide campus discussions about how to grow and direct the development of the program portfolio.

### Questions to Inform Initial Program Discussions

#### Skills

- Which of our current programs integrate high-demand skills?
- What new program opportunities would confer high-demand skills?
- Are these skills relevant to a narrow suite of programs, or should most or all of our programs teach these skills?
- Do we emphasize these high-demand skills in our marketing messages?

#### Employers

- How often do our students find jobs with these top employers?
- How many employees of these top employers do we or have we previously served?
