

# Employer Demand Profile

## Enabling Market-Responsive Course Development

Real-time employer demand data identifies the top skills, employers and occupations for professionals with Level 6 qualifications or higher. It excludes A-levels, vocational diplomas, foundation degrees or equivalent qualifications. Use the data and brainstorming questions included here to guide campus discussions about how to grow and direct the development of the course portfolio.

### Questions to Inform Initial Course Discussions

#### Skills

- Which of our current courses integrate high-demand skills?
- What new course opportunities would confer high-demand skills?
- Are these skills relevant to a narrow suite of courses, or should most or all of our courses teach these skills?
- Do we emphasize these high-demand skills in our marketing messages?

#### Employers

- How often do our students find jobs with these top employers?
- How many employees of these top employers do we or have we previously served?
